Jerome Hodges, Superintendent.

N. J. Medford, Assistant Superintendent.

I. H. Presley, Secretary.

C. B. Strickland, Treasurer.

A. H. Butler, Member Board.

By order of the Conference the Secretary read the Minutes of the Official Board for the Conference year, and they were adopted as appearing in the following copy:

First meeting at Greenville, N. C., October 26, 1931.

1. It was decided to pay tithes from the Conference Treasury into the General Treasury, and a second tithe into an evangelistic sinking fund.

2. It was decided to authorize the Conference Supt. to instruct the Treasurer to help the St. Paul church on its indebtedness if should become absolutely necessary.

3. It was agreed that the Treasurer should keep Conference funds in First and Citizen's bank of Dunn, N. C. if C. B. Strickland and A. H. Butler should find conditions of said bank satisfactory.

Second meeting at Falcon, N. C., March 1, 1932.

1. Since in the opinion of the Board the influence of Eugene Bryant has been used to disturb the plans of the pastor of the Sanford church, and his activities are detrimental to the P. H. Church at Sanford, we demand that his activities in that community cease at once. We further demand that he apologize to the pastor of the Sanford church and the Conference Board for his detrimental activities in said community.

2. Since in the opinion of the Board the influence of certain ministers of the W. N. C. Conference is detrimental to the P. H. Church in Sanford, we request that the activities of said ministers in said community cease at once.

3. The Board rented the dormitory at Falcon and decided to give members of the Conference free entertainment at the Bible Conference to be held in connection with the Falcon Camp Meeting.

4. The Conference Superintendent was requested to superintend the dormitory during the Bible Conference to be conducted at Falcon in August 1932.

5. The Board favored the A. L. Jackson proposition. That is to sell the Franklin Springs property, except the printing plant, to G. F. Taylor for \$8,000.00 payable \$2,000.00 annually.

6. The Board requested the Conference Superintendent to present the A. L. Jackson proposition at the Quarterly Conference, and request each local church to give its opinion in the matter.

7. The Board requested each member of the local churches to give ten cents for the expense of the delegates to the General Conference.

8. The Board decided to continue the insurance on the James' Grove property.

Board met at Goldsboro May 31, 1932.

The Conference Superintendent presented a letter from the General Superintendent asking action of the Board as to the advisability of postponing the General Conference. The Board voted unanimously to have the General Conference at the regular time.

2. E. M. Bryant appeared before the Board and made the following apologies to the Conference Board and W. J. Noble.

Rev. Jerome Hodges and Members of the N. C. Con. Board:

Dear Brethren: Since in your opinion my activities in Sanford, N. C. were detrimental to the P. H. Church, and in your opinion the revival I conducted there disturbed the prearranged plans of the pastor Rev. W. J. Noble, I beg the Board to forgive me, for from the depth of my soul I want to be loyal to the Conference. Signed: E. M. Bryant. A similar apology was made to W. J. Noble and the apologies were accepted.

3. The Board gave the Wilson Church \$25.00 from the Conference Treasury to be used on the indebtedness of the Wilson Church.

4. The Board gave \$2.00 to each member of the Board for traveling expenses.

Board met at Falcon, N. C., August 26, 1932.

1. The Board petitioned the W. N. C. Conference to change the place for the sitting of the General Conference from Marion, to Durham, Winston-Salem, or some other suitable city.

2. The Board gave Jerome Hodges \$25.00 for his service in the dormitory during the Bible Conference conducted at Falcon, N. C.

Board met at Falcon, N. C., Oct. 22, 1932.

1. Since E. M. Bryant failed to appear before the Board after having been duly notified to do so, and since it is in evidence he has evaded his financial obligations, and made conflicting statements tending to reflect upon the character of others, on motion, he, E. M. Bryant, was expelled from the Conference.

2. Since Roscoe Coleman failed to appear before the Board, and it being in evidence that his character was bad, on motion, he was expelled from the Conference.

REPORTS OF COMMITTEES

Report of Devotional Committee

We, the Devotional Committee, submit the following report:

Preaching tonight at 7:30 by Rev. W. H. Turner, tomorrow A. M. at ten o'clock service by the P. Y. P. S. Young people led by J. W. Butler. At eleven o'clock A. M., preaching by Rev. J. H. King, Gen. Supt., followed by communion service. At 3 P. M. a program by the singing class from the Falcon Orphanage. Sunday night at 7 o'clock a missionary service conducted by Rev. W. H. Turner and Miss Mavis Lee Oakley.

Report of Committee on Evangelism

We, your Committee on Evangelism, humbly submit the following recommendations:

Inasmuch as the last command of our risen Lord was to go into all the world and preach the Gospel to every creature, thus making the matter of evangelism one of vast importance.

1. We recommend that all churches and pastors, upon planning revivals in their churches, prearrange, as far as possible, for the entertainment and financial support of the evangelist.

2. That the matter of evangelizing the new territory within the bounds of the N. C. Conference be discussed in the Quarterly Conferences of each of the four districts of the N. C. Conference, and that some plan for the support of this work be sought.

3. That earnest prayer be made by all for the salvation of the lost, both in the homeland and on the foreign fields.

Report of Committee on Pentecostal Young People's Societies.

We, your Committee on Pentecostal Young People's Societies, believe that this work has made reasonable progress, and is coming to be more widely recognized by the church and our people. However, we feel that a more active interest by the members of this Conference and the local churches is necessary, and we wish to encourage the organization of societies in each church.

We recommend:

1. That each church in the North Carolina Conference organize a P. Y. P. S. as far as possible. Where societies are now at work, we offer our encouragement to them. We favor the expansion of this work by organizing where there are no societies at the present time, and request pastors and lay members to give of their prayers and co-operation to our young people.

2. That in each quarterly conference district there be appointed by the Conference Officers a district chairman and secretary, who shall supervise the work of the P. Y. P. S. in their bounds, and carry out any other duties assigned them.

3. That our local societies send a report to the Conference President and Secretary-Treasurer, quarterly, on forms to be provided for this purpose, and that the advice of the Conference Officers be sought as a means of keeping alive the work of the local societies, and that the Conference President do all in his power to create interest in the P. Y. P. S. in the churches of this Conference, organizing new societies and visiting all the churches possible. We solicit the co-operation of our people for our conference officers.

4. That each society send 10 per cent of the funds in the local treasury to the Conference P. Y. P. S. Treasurer for defraying the expenses of the Conference work, and that the traveling expenses of the officers be defrayed when the churches are visited.

5. That each Society follow the programs in the P. Y. P. S. Quarterly and Young People's Department of the P. H. Advocate, supplementing this material with other appropriate literature.

6. That there be a P. Y. P. S. Convention arranged especially for the next Annual Conference, to be held at a convenient and suitable time during the session, that the district secretaries make reports at this meeting and that each society be represented, as far as possible and convenient.

7. That the officers be elected at the P. Y. P. S. Convention and their names submitted to the Annual Church Conference for confirmation.

8. That the older and younger people work together in a closer spirit of harmony and fellowship, that the older people attend the services of the P. Y. P. S., not to lead, but to co-operate with, and to encourage them in their work and to show due appreciation of their efforts.

Report of Committee on Missions.

To the Church of Jesus Christ has been committed the ministry of reconciliation, which involves upon each member a great responsibility and offers to them a glorious privilege. Christ, by His love and command, has shown that only as we acknowledge and pay our debt to lost humanity can we discharge our obligation to Him. In view of this and of the immediate need of the field and the crisis that now faces our church, we, your Committee on Missions, earnestly recommend,

1. That one missionary service be held at each Annual Conference.

2. That at least one sermon on missions be preached in each of the quarterly conferences during the year.

3. That each member of the Conference pledge himself to pray more earnestly and give more sacrificingly that the needs of the missionaries on the fields may be supplied and that more laborers may be sent to the fields white already unto harvest.

4. That each evangelist preach at least one sermon and take one offering during each evangelistic meeting.

5. That each pastor preach at least one sermon on foreign missions during each quarter, bringing before the people the present needs of the fields.

6. That each pastor take an active part in organizing a missionary society in each of his churches, urging each member and others to join.

7. That each society arrange such programs each month as are calculated to inspire the members to be zealously active in carrying out the command of Christ: "Go ye into all the world and preach the gospel to every creature."

8. That the deacons and pastors co-operate with the president of missionary societies in having the regular missionary programs and allowing nothing to hinder the offerings.

Report of Committee on Orphanage Work

Since orphanage work is a very important work, we your Committee would suggest that the pastors of the various churches in the North Carolina Conference do all they can in a way to create as great interest among our people as possible in the behalf of this important work, and see that some one is appointed in each church to look after this work.

And as the Falcon Orphanage is one which is supervised in line with our faith, we suggest that each church set aside one Sunday in each month in the Sunday School for an offering to be contributed to the above institute.

Report of Committee on Sunday Schools

Because of the great importance of the Sunday School work as an institution within the church, we recommend:

1. That active Sunday School work be maintained in all our churches throughout the entire year, and that full co-operation be given by every individual member of the church.

2. That great care be exercised in the election of officers and teachers so that the most spiritual and efficient leadership may be provided for each Sunday School.

3. That weekly teachers' meetings be held as far as practical in all our Sunday Schools for purposes of lesson study and discussion of the best methods of teaching and applying the truths of each lesson.

4. That one Sunday each month a special offering be taken for foreign missions, in addition to the regular offering. We recommend that a Secretary be appointed for this and that the en-

tire school be enrolled. Have the Secretary call the roll and try to get each one give as much as a penny a day. Also take a birthday offering at this time.

5. That on one Sunday each month a special offering in addition to the regular offering be taken for the Falcon Orphanage. We recommend the same method in taking this offering as outlined for missions.

6. That each Sunday School take steps to provide a Sunday School Library for the use of all its members.

7. That all our Sunday Schools assume responsibility for some practical service outside of the school itself, such as supporting some child in the orphanage, or supplying the needs of some worthy member of the church that is in need.

8. That each teacher show a personal interest in the members of their class by sending a card to any member who has been absent for as many as two Sundays in succession, assuring them that they are being missed and inviting them back.

Report of Committee on Prohibition

After a long and hard fought battle by the united moral and religious forces of our country against the forces of evil including the liquor interests, the law making bodies of nearly all the states and the nation in harmony with the expressed will of a great majority of the people enacted laws designed to prohibit the traffic in intoxicating drinks.

It is evident that said laws have been of very great economic, moral and spiritual benefit to our nation.

Now a great crisis has arisen, the same powers which strove so relentlessly to prevent the passage of said just and righteous laws, are now using every means at their command to annul, repeal and make void these Scriptural statutes, which if they accomplish will flood our country with the legalized liquor traffic again, with all its attendant debauchery, crime, woe, misery, bloodshed, and ruined homes as well as a thousand other unmentionable horrors, and in view of the above facts, we beseech,

1. That all of our members so inform themselves on this subject that they may be able to co-operate intelligently with all others who are striving so faithfully to prevent such a calamity. And in order to do this we insist,

2. That a thorough study of the Scriptures which bear upon the results of the use of strong drink is essential.

3. We recommend that our people subscribe for and read, The American Issue, published by The American Issue Publishing Company, 110 South State St., Westville, Ohio, from which we may get the facts and figures as given by The Anti-Saloon League of America.

4. We urge all, after having properly informed themselves through Bible study, prayer and investigation through dependable

channels, to vote in all instances, regardless of political parties in a way to promote sobriety and temperance with their attendant blessings and happiness.

5. We advise our preachers to preach on this Scriptural subject in order to stir up interest on this important question.

Report of Committee on Education

The Bible is the Book of books. We believe its influence is indispensable in building genuine character. Since our public schools are sadly neglecting the moral and spiritual development that may be realized by Christian influences and Bible training, we believe that every facility of the church and its auxiliaries should be used to make the principles of the Bible real in the hearts and lives of the people. Therefore we recommend:

1. That our people encourage systematic Bible reading among the children and adults.

2. That our Sunday Schools encourage teacher training, use every possible means to educate our people in the Bible in the light of Pentecostal truth, and that Bible studies be conducted in all our churches. That the programs in the Young People's Societies be so arranged that religious instruction will feature each program.

3. That each minister be diligent in studying the Bible and Bible helps so they may be able to rightly divide the Word of truth. That the Conference encourage Bible study by having Bible Conferences, and Bible studies in connection with quarterly Conferences.

4. That all our religious leaders encourage Christian education by placing The Pentecostal Holiness Advocate, other good religious periodicals, and good books in every home possible.

5. That, since our church is publishing its own Sunday School literature and placing the proceeds in the educational fund, all our people maintain good faith in the future success of the church educational institutions.

6. That one-fifth of the money which this Conference pays into the General Treasury be placed in the Educational Fund.

7. That one per cent of all money collected in the local churches be paid into the General Educational fund.

8. That this Conference request the General Board to appoint a committee of educators whose duties shall be as follows, at least in part:

1. To survey the field of educational needs with a purpose to devise a workable educational system.

2. To formulate a workable educational system adapted to the needs and conditions of our church.

3. To propose some plan for raising an educational endowment fund.

4. To propose some plan by which a regular and systematic support may be given our educational institutions.

5. To make a statistical survey of the church in an effort to ascertain the strength of educational sentiment.

6. To study the present situation at Franklin Springs and endeavor to recommend a plan for opening an accredited school in 1933.

7. To make a report of their findings in The Advocate.

8. That this Conference petition the General Conference to elect a board of education separate from the General Board composed of not more than seven nor less than five members.

9. To elect a Superintendent of all educational work who shall be ex-officio chairman of the board of education, and who shall nominate from the Conference floor members to complete the educational Board.

10. To delegate to the board of education authority to fully control all school property, all educational funds, and all schools that may belong to the Pentecostal Holiness Church.

11. To designate an executive committee of the board of education, and clearly outline the duties of each.

Report of Committee on Finance

We, your Committee on Finance, beg leave to submit the following report:

1. We recommend that each local church adopt some budget plan suitable to its conditions. We suggest that the first business meeting after Conference, each member promise that by the help of the Lord, he or she will pay a definite sum into the church. We would further suggest that the Official Board give due consideration to every phase of the work in making distribution of church funds. We recommend that the Official Board of each church at the beginning of the Conference year, designate a minimum sum to be paid pastor each month.

2. We recommend that each member of the Conference pay at least fifty per cent of their tithes received for their ministry into the Conference Treasury.

We recommend that the first tithe be paid to the General Treasury and a second tithe be placed into a sinking fund to be used exclusively in evangelism.

3. We recommend that \$150.00 be appropriated for the General Supt., that \$75.00 be appropriated for Minutes of the Conference. That \$20.00 be appropriated for the Secretary and that \$20.00 be appropriated for the Treasurer, also \$25.00 for the State Supt.

Report of Committee on Resolutions

We, your Committee on Resolutions, submit the following report:

1. We recommend that all of our preachers preach at least twenty-five sermons each during the Conference year.

2. We recommend that all our ministers hold their church membership in the Pentecostal Holiness Church and located in the Conference in which they reside.

3. We recommend that our ministers be careful and considerate in conducting meetings of any kind among groups of other religious people when such groups are antagonistic to the P. H. Church when the influence of such activities would be detrimental to our work.

4. We recommend that our churches seek to foster a spirit of co-operation between the older and younger people with particular reference to the work of the P. Y. P. S., and would urge our pastors to do all they can to encourage their younger members.

5. Inasmuch as our churches are so mixed up in respect to pastoral charges, we recommend that all our churches in this Conference be arranged into circuits when practicable.

6. We recommend that we meet in our Annual Conference on Thursday morning before the 4th Sunday in October, instead of on Saturday.

To the General Conference

7. We recommend that on page 28 in our Discipline, paragraph 2 be arranged to read as follows:

Each Conference shall be composed of its Superintendent, ordained and licensed preachers, and at least one delegate from each local church, but not more than one for every 100 members in each church.

8. We further recommend that on page 32, paragraph 1 be changed to read, one clerical delegate to every fifty preachers and one lay delegate to every one thousand lay members.

9. Resolved that this Conference petition the General Board to have the General Conference at the regular time.
